Re: Delegation of Authority for Grants

As the chief information officer, I stipulate that IOT approval is **not** required for any **grant** that contains the following or similar language:

Accessibility Standards

Any information technology related products or services purchased used or maintained through this grant must be compatible with the principles and goals contained in the Electronic and Information Technology Accessibility Standards adopted by the Architectural and Transportation Barriers Compliance Board under Section 508 of the federal Rehabilitation Act of 1973 (29 U.S.C. 794d), as amended. The federal Electronic and Information Technology Accessibility Standards can be found at: <http://www.access-board.gov/508.htm>.

A copy of this memo should be included with the grant as it processed for state signatures and approvals.

This delegation is effective March 1, 2016, and shall remain in effect until the earliest of the following: (1) this delegation is revoked by me; (2) I am no longer the Chief information Officer.
